

INSPIRE OUR CHILDREN

Give to the Children's Room Campaign today

Generations of River Forest children have been inspired by their experiences in the RFPL Children's Room. Every day our children explore through stories, pictures, and activities that ignite imaginations and open hearts and minds while building early literacy skills and a lifelong love of learning. Your support is an important part of that journey.

The RFPL Foundation is soliciting \$35,000 in donations to complete an update of the Children's Room. The generous gift of a River Forest family will fund the purchase of new shelving for a large part of the Children's Room. Your support will enable the Library to complete the entire \$65,000 update as a single project that improves the functionality and appearance of the room with new carpet, fresh paint and replacing all the original shelving with ADA-compliant browser bin shelving.

The new shelving will help our collections shine and make our space more welcoming by making books and materials easier to see and explore. In 2014, browser bin shelving was installed for the picture books resulting in a 30% increase in circulation. We expect a substantial increase in circulation of children's fiction, nonfiction, and audio-visual materials as a result of this project.

The RFPL Foundation was established to enhance the vitality of the Library for generations to come. This project will enhance the experiences of children and their caregivers in the Children's Room. Your contribution will enable us to complete the entire update project efficiently and cost effectively. **Please help inspire the next generation of River Forest children.**
